

FAIRRCalc®

More Than a Refund.

Recover Value. Reduce Risk. Automate Servicing.

FAIRRCalc helps lenders automate refund servicing through compliant calculations, product intelligence, and workflow automation, transforming refunds from an operational burden into a strategic advantage.

What is FAIRRCalc®?

FAIRRCalc is F&I Sentinel's automated refund intelligence platform for auto lenders.

Powered by product form intelligence, compliance expertise, and lender-specific business rules, FAIRRCalc helps lenders:

Common challenges include:

Consistent refund calculations across products, providers, and states

Time-consuming manual processes and operational inefficiencies

Complex regulatory and compliance requirements

Incomplete product and form data limits refund accuracy and visibility

Missed cancellation fee recovery and lost revenue opportunities

Limited documentation and difficulty supporting audits

How FAIRRCalc® solves these challenges:

Recover More Revenue

Capture fee recovery opportunities and improve refund accuracy.

Scale Without Headcount

Automate refund servicing and eliminate manual intervention.

Establish Consistent Compliance

Consistently apply state and product-specific requirements.

Increase Data Visibility

Gain insight into forms, fees, providers, and trends.

Deliver Measurable ROI

Lower servicing costs while increasing recoverable value.

Create Audit-Ready Processes

Maintain a defensible record of every refund.
